Letter from the President

BY PENNY DEJOURNETT

Dear Friends,

Finally, it is fall, the children and young adults are back in school (all of our wonderful teachers and school staff as well). I hope we have seen the last of triple digit weather for many months. The board has agreed to change the meeting dates temporarily to the 4th Wednesday of the month. Our next meeting will be September 27th at 4 PM. Everyone is welcome to attend and share ideas.

I want to welcome Debbie Goddard and Lisa Bailey, these ladies have taken on the delivery of books to our homebound patrons each month.

Thank you, Debbie and Lisa!

Several of the board members have had an opportunity to visit other FOL groups in the area. We attended a board meeting in Newton County at their library and shared ideas. We also, had lunch with the Berryville FOL and toured their library. What a dynamic group of people! Lots of ideas!

September is the calm before the storm, it is National Library Card Sign-up Month it's a good time to check that you are up to date with your card! Our FOL group is helping man the Boone County Library Table at the District Fair, September 20th - 23rd.

There is a lot happening at our library in the month of October. October 1st through the 7th is Banned Books Week. I encourage you to read a "banned or challenged" book. Most that I have read could only be challenged by looking through a skewed lens. Everyone is different and has a right to their opinion but not a right to foist that opinion onto others. OK, I'm off my soap box.

October 12th, 13th, and 14th are the dates for the Fabulous Fall Book Sale. Jerrica will be calling for volunteers. The books will be moved from storage on Tuesday, October 10th, set-up will be October 11th and tear down and clean-up will start at 2 PM on the 14th. The members only sale will be the 12th, 9 AM to Noon. Memberships can be purchased or renewed during this time.

October 15th – 21st is National Friends of the Library Week. This is the 18th year of this week of recognition and celebration. There will be a table set up in our library lobby so this is another opportunity to renew or to become a member of our Friends group. We will have a contest to guess the number of “Hugs and Kisses” in the container. Also, we will have cards that can be filled out that start with Our library helped me.... For example, our library helped me get a job, our library helped me see the stars by loaning out a telescope, you get the idea. Judge Hathaway will be signing a proclamation on Monday the 16th, at 10 AM. It will be a great opportunity to let him know how much we need, use and love our library. Please come if you are able. Jerrica will be calling for volunteers to man the table during our library’s busiest hours.

You may have noticed that I keep referring to our library. I have challenged both the administrative board and the FOL board to use the word “our” in place of “the” library. Our library belongs to the community and it is our responsibility to support it by giving of our time, money or even moral support. All is much appreciated.

I will close but please keep the above-mentioned dates on your calendars. You can always reach me by phone at 870-754-0514 with questions or concerns but especially with ideas to improve our FOL and our library.

Sincerely,
Penny DeJournett
